

Honors Fall 2019 Benchmark 2
Exam Details and Skills List

Honors Benchmark 2:

35 total questions

- 3 reading passages, one of which you will have seen before

- 29 m/c and 6 short answer

*At least 12 of the test questions relate to the identification of literary time periods

*At least 5 of the questions relate to vocabulary in context

*Most of the remaining questions incorporate literary/rhetorical devices in some way

*The majority of the short answer responses ask you to defend and answer that you previously gave, so you will be expected to use persuasion to argue and defend your answer.
